

Palmer and Brant Rowan Texas A&M Galveston Sea Camp Scholarship

Established in 2020 by Paige '03 and Joshua '02 Rowan

My name is Palmer Rowan. I am originally from Houston, TX and moved to Charlotte, NC in 2017. I love fishing and the ocean. I have always been fascinated with the behaviors of various sea animals. When I grow up, I want to be a marine biologist who studies sharks. I want to attend Texas A&M – Galveston when I go to college. I have attended Sea Camp for two years and my favorite part of camp is getting to meet new people and learn more about the ocean.

I feel very blessed to have opportunities to attend Sea Camp and explore the ocean. Other kids aren't always as fortunate, and I want them to be able to develop a love of the ocean. Maybe we will even attend Texas A&M

Galveston together and study marine biology one day. I hope that my small donation will have a positive impact for many years to come.
