

## **Dr. Sue '94 and Patrick '71 Mahoney TAMUG Yell Leaders Scholarship**

**Established in 2024 by Dr Sue '94 and Patrick '71 Mahoney**

Sue and Patrick recently established a planned gift, in the form of scholarships supporting the Texas A&M at Galveston Yell Leaders. The Mahoney's first met the Yell Leaders during a campus visit a few years ago and were immediately impressed by their enthusiasm. However, they learned that, despite spreading the Aggie Spirit across the Galveston campus, they received minimal financial support for their activities. Through this scholarship, the Mahoney's hope these funds will enable the Yell Leaders to continue promoting the Aggie Spirit and participating in Student activities.

Sue and Patrick met while Patrick was attending A&M and after his second year, the couple married.

Sue received both her master's in educational technology in 1994 and Ph.D. in educational psychology in 2002. Since then, she has worked in marketing, supporting sales, and as a college professor. Patrick received his bachelor's in accounting in 1971 from Texas A&M and his J.D. from South Texas College of Law in 1988. He has worked as a banker, real estate broker, general contractor, and board-certified real estate lawyer.
